A LETTER FROM MISS NYKE.....

Just a quick reminder for everyone concerning tuition rates for the months of November and December. Tuition remains the same flat rate regardless of Thanksgiving Break and Winter Break, throughout the year when there is five weeks in a month it takes off for these few weeks that we take off this time of year. I truly enjoy each and everyone of my students, they are all very special. Throughout the year I take

time to create lessons plans that are catered to each individual student, to ensure success towards learning piano and music and continue on with less frustration and distraction. If anyone has any questions or concerns regarding this policy please give me a call at: 704-299-9161.

WINTER RECITAL

The Winter Recital is tentatively scheduled for December 5, 2009. I will be contacting Spirit Square this week to reserve the time and space for the Recital. An additional email will be sent out regarding this information. I would love for everyone to participate in this

recital, so please RSVP with the number guest you anticipate on bringing to this Recital. Students of Chesterbrook Academy will have a private recital at their school location, attending the Studio recital is optional.

Volunteer Project of 2009 Food Drive With Second Harvest Food Bank

The annual volunteer project is in full effect! We have started receiving tons of donations. This year I plan on linking with several businesses that are willing to offer a discount on their services per the amount that is donated in the food drive. If anyone would like to participate and set up a location for donation at their workplace please contact Miss Nyshia. I would love for each and everyone to get their families and communities involved in this food drive to ensure it's successful. Also for any family that makes a financial
